A Mass is now being offered at the Parkview Medical Center Hospital Chapel at 9:00 p.m. on Sundays for workers who otherwise are not able to attend scheduled parish Masses on the weekend.

A NOTE FROM THE PASTOR!

We welcome the Marriage Encounter couples who are offering a retreat in our parish this weekend. This retreat is a great opportunity for couples to deepen their communication within their marriages. Most of their activity will take place in the school building.

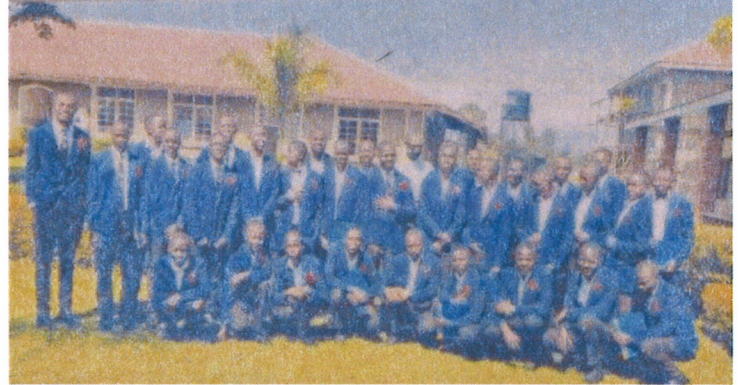

We are also excited to have a rite at the 9:00 a.m. Mass this weekend, formally welcoming those adults who are discerning their call to become Catholic. This is our chance to offer prayer for them, and it is also a reminder of the great gift we have been given.

We are going to offer a Mass on All Soul's Day, 6:30 p.m. on November 2, in which we will read the names of parishioners who have died in the past year and light a candle for each. If you would like to include a loved one whose funeral was elsewhere, give Cece a call at the Parish Office, 482-2186, and we will add them to our list.

A group called *Catholic Treehouse* has launched a year-long series of challenges based on the saint of the day, which begins on November 1. Each day, in 90 seconds you learn a little about the saint and you are offered some kind of challenge inspired by the saint. I don't know anything about this group, but the ad looks very intriguing. If you are interested, go to www.thesaintchallenge.com.

As a part of our parish tithe, last January we sent a gift of \$10,000 to the seminary in Fort Portal, Uganda. We recently received a beautiful note, photos, and receipts to show how they had spent the money. They purchased five desktop computers and spent the rest on bags of maize flour, cassava flour and beans to feed the students. I quote from the letter: "Prices of commodities have more than doubled and they are still shooting higher. Poverty levels among most of our parents have increased. Some students did not even report for this third term due to lack of school fees... We have started rationing the food that we serve our students so that it may last a bit longer. We are grateful to the entire parish community of St. Charles Borromeo for the financial support. We thank God that you have been there to accompany us in these times of difficulties. Without your support, we would not have completed the second term. We promise to keep you in our prayers." You will see in one of the pictures, the seminarians seated at the desks which our parish helped to purchase a couple of years ago. We were able to include both photos in the bulletin.

THE ANNUAL BISHOP'S APPEAL

Have You Made Your Bishop's Appeal Pledge?

Thank You! To all those who have already pledged to the 2022 Annual Bishop's Appeal. Your gifts have helped our diocesan Church to continue teaching, preaching and serving those more in need of food, counsel, and security.

The Church needs everyone's help. Please be as generous as you can to the Annual Bishop's Appeal. Please give online www.diocesefwsb/org/aba as this is a more secure method and saves processing time for parish staff.

Just Neighbors......a temporary homeless shelter for families...'just' around the corner from St. Charles...is in need of our help the week of October 30-November 4. We will be providing the dinner for about 7 families currently residing at the shelter and we need volunteers to make one of the following: a main dish, a salad, a vegetable side, fruit, or dessert. If you know your schedule and would like to sign up now for one of the days, please contact Maggie Kleber at 485-4717, or email her at: maggiekleber@msn.com

This Week in RCIA

October 25

This week in RCIA, we will take a look at the Last Things: Death, Judgment, Heaven, Purgatory and Hell. What happens to the soul after death? God created us to share in his own blessed life. We cannot be united to God in such a way if we freely choose not to love Him. We will explore this concept in depth at our next meeting. Please pray for our catechumens and candidates, Bill, Joseph, Chris, Amy, Josh, Madison, Stephanie, Seth, and Joshua as they continue their journey in the Rite of Christian Initiation of Adults.

CATHOLIC FAITH TOPICS is a program focused on explaining our Catholic faith to those who don't know her teachings. This will equip you with the Scriptural evidence that supports Catholic teaching. The sessions will start with a 30 to 40 min. talk and then an open Q&A. There are five different presenters including Fr. Tom and Fr. Koehl. It will take place on the second Tuesday evening of every month in rooms C & D in the Hession center, 7:00 p.m. to 8:30 p.m. Please join us for all the sessions or just those subjects that interest you. The schedule is:

- Nov. 8 Church Authority: The Pillar and Foundation of Truth
- Dec. 13 Baptism and Confirmation: How Do We Become Members of the Body of Christ, the Church?

MEMORIAL MASS

A Memorial Mass for those who have lost a child, including through miscarriage and abortion, will be celebrated in Fort Wayne on Friday, October 28, at 5:45 p.m. at St. John the Baptist Church in Fort Wayne. All are welcome, including siblings and grandparents. You will have the opportunity to record your child's or grandchild's name in a Book of Remembrance, to take home a silk rose in honor of him or her and to pray together with others who have suffered the loss of a child.

The Truth About **Abortion** & **Women's Health**

Abortion does not save women's lives.

Abortion is the **direct** and **intentional** killing of a child in the womb.

Abortion is never medically necessary. It does not treat or solve any pregnancy-related complication.

Outlawing abortion will not affect treatment for miscarriage.

Treatment for miscarriage and abortion is not the same thing.

There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child.

In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has *already died*.

While the same surgery is done to perform an abortion, abortions impose this procedure on a **living child** with the **intention** of ending his or her life.

Women can get the lifesaving treatments they need—without abortion.

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that **indirectly** and **unintentionally** lead to the death of an unborn child. **Abortion restrictions will not prevent women from receiving these treatments.**

When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. **Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child.**

When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child.¹

Ectopic pregnancies result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary.

When done ethically, treatment for an ectopic pregnancy is not abortion. Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

Bottom line: **Abortion restrictions never prevent women from receiving life-saving treatment.**²

If you or someone you know is struggling after involvement in an abortion, the Church offers confidential, compassionate help through Project Rachel Ministry. Visit www.hopeafterabortion.org for more information.
